Re: **TSA10-0134**

Dear Mr. Hasbrouck:

This letter acknowledges receipt of your Freedom of Information Act (FOIA) request to the Transportation Security Administration (TSA), dated December 9, 2009, and to your request for a waiver of all assessable FOIA fees. Your request was received in this office on December 10, 2009. Specifically, you requested access to and copies of records related to TSA Operations Directives or Management Directives.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, the Department processes FOIA requests according to their order of receipt. Although DHS' goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10-day extension of this time period. As the subject matter of your request is of substantial interest to two or more components of this Department or of substantial interest to another agency, we will need to consult with those entities before we issue a final response. Due to these unusual circumstances, TSA will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. § 552(a)(6)(B). If you care to narrow the scope of your request, please contact our office. We will make every effort to comply with your request in a timely manner.

As it relates to your fee waiver request, I have reviewed your letter thoroughly and have determined that you have not presented a convincing argument that you are entitled to a blanket waiver of fees.

The DHS FOIA Regulations, 6 CFR § 5.11(k)(2), set forth six factors to examine in determining whether the applicable legal standard for a fee waiver has been met. We will consider these factors in our evaluation of your request for a fee waiver:

- (1) Whether the subject of the requested records concerns "the operations or activities of the government;"
- (2) Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;
- (3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;

- (4) Whether the contribution to public understanding of government operations or activities will be "significant;"
- (5) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and
- (6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor.

As a requester, you bear the burden under the FOIA of showing that the fee waiver requirements have been met. Based on my review of your December 9, 2009 letter and for the reasons stated herein, I have determined that your fee waiver request is deficient because your request for a fee waiver has failed to satisfy each of the required factors, I am denying your fee waiver request.

Provisions of the Act allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS Interim FOIA regulations as they apply to media requestors. As a media requestor you will be charged 10-cents a page for duplication, although the first 100 pages are free. We will construe the submission of your request as an agreement to pay up to \$25.00. You will be contacted before any further fees are accrued.

You have the right to appeal the determination to deny your fee waiver request. In the event that you may wish to appeal this determination an administrative appeal may be made in writing to Kimberly Walton, Special Counselor, Office of the Special Counselor, Transportation Security Administration, 601 South 12<sup>th</sup> Street, East Building, E7-121S, Arlington, VA 22202-4220. Your appeal **must be submitted within 60 days** from the date of this determination. It should contain your FOIA request number and state, to the extent possible, the reasons why you believe the initial determination should be reversed. In addition, the envelope in which the appeal is mailed in should be prominently marked "FOIA Appeal." Please note the Special Counselor's determination will be administratively final. Your envelope and letter should be marked "Freedom of Information Act Appeal." The implementing Department regulations establish the criteria under which the FOIA is administered. Copies of the FOIA and regulations are available at [www.DHS.gov](http://www.DHS.gov).

Your request has been assigned reference number **TSA10-0134**. Please refer to this identifier in any future correspondence. If you have any questions, or would like to discuss this matter, please feel free to contact this office at 866.364.2872.

Sincerely,

Kevin J. Janet
