Mr. Hasbrouck: I did receive your four separate emails. I have already tasked the individual that pulls PNR data to start searching for information. Morning is the best time to search that database as it is typically a bit slow. I have already pulled your entry/exits and just couple of secondary exams.

We will be getting your information to you later this week, once it is reviewed and sanitized.

Thank you for speaking with me today. Please reply to confirm receipt of the attached copy of my pending Privacy Act appeal, and advise me of the tracking number assigned to this appeal and the status of this appeal.

Should you have any questions, feel free to contact me by phone in San Francisco at 415-824-0214, and/or at this e-mail address.

If the address for Privacy Act requests and/or appeals has changed, please let me know when I can expect to see new SORNs for the respective CBP Systems of Records published in the Federal Register.

Sincerely,

FAP 0012

Edward Hasbrouck
