RE: S2S Service - Fiscal Year 2019 Fee schedule

The S2S Governance Committee composed of the 15 S2S participating jurisdictions met on July 20<sup>th</sup> to review the revised financial model for the S2S program. Based on the new financial projections, the Governance Committee recommended to the AAMVA Board of Directors that the fees for FY2019 be maintained to the level that was initially set by the DIVS organization in 2014 and that was communicated to all pilot states February 29, 2016.

I am pleased to report that at its August meeting, the AAMVA Board of Directors accepted the Governance Committee’s recommendation and voted unanimously to apply the FY2019 fees as set in the original DIVS financial model.

**S2S FY2019 Fees:**

Fee	FY 2019
Annual Per State Fee	\$32,885
Annual Per Driver Fee	\$0.072

To help you in your budget planning activity, the attached table provides each state’s estimated yearly cost for FY2019.
