Dear Mr. Hasbrouck:

This is in response to your email dated August 11, 2018, requesting motor carrier records pertaining to the State Pointer Exchange Services Master Specification (SPEXS) document.

We have contacted the appropriate program office regarding your request and have determined that the aforementioned record is not an agency record. The Federal Motor Carrier Safety Administration did not award any direct grant funds to develop the SPEXS document.

This is all the information we have which falls within the scope of your request and regret any inconvenience caused by the delay in responding to your request.

Sincerely yours,
Rodolfo Paul Saenz
